About Us

- **CMA** is one of the fastest-growing providers of architectural design, corporate interior solutions, and turnkey project execution for both B2B and B2C markets. Our expertise spans the commercial, hospitality, and residential sectors.

- As a business, we are comprised of a dedicated team of architects, civil engineers, and interior designers, allowing us to undertake and deliver complex projects with precision, efficiency, and cost-effectiveness. We have proudly served numerous esteemed clients across India with our commitment to Execution with Excellence.

- We also offer project execution services nationwide, supported by seasoned industry professionals. Our mission is driven by integrity, a highly skilled team, and competitive, affordable pricing.

CMA
Execution With Excellence

"Excellence in Manufacturing & Project Execution

- CMA operates a state-of-the-art modular furniture manufacturing unit in the RIICO Bindayaka Industrial Area, equipped with fully automatic machines. This advanced setup enables us to deliver high-quality furniture consistently, regardless of order quantity, within the promised timeframe.

- Our finance team manages all aspects of financial planning, payment terms, and project BOQs, ensuring transparent and accurate project estimates for corporate clients. We maintain a clear and straightforward process, promoting mutual understanding and transparency in project agreements.

- We are actively expanding our footprint across India and into international markets, aiming to establish a unique clientele through end-to-end solutions that embody exceptional craftsmanship, transparent pricing, seamless execution, and cost-efficient project completion.

- Our guiding principle, **Execution with Excellence**, reflects our commitment to quality and precision in every project.

Our Team

Execution With Excellence

CMA
Execution With Excellence

Why CMA?

Choose CMA Turnkey Projects Pvt. Ltd. – Where Experience Meets Innovation in Interior Excellence.

Nationwide Presence

With a robust network spanning across India, our nationwide presence allows us to provide seamless and timely service to clients from diverse regions. Our strategically located offices and manufacturing units enable us to deliver quality solutions with efficiency, catering to a wide array of industries and ensuring proximity to our clients for better project support and execution.

Punctual Delivery

An office chair is a type of chair specifically designed for use in an office or workspace setting. An office chair is a type of chair specifically designed for use in an office or workspace setting.

Client-Centric Focus

An office chair is a type of chair specifically designed for use in an office or workspace setting. An office chair is a type of chair specifically designed for use in an office or workspace setting.

Sustainable Practices

Recognizing the importance of sustainability, we integrate eco-friendly practices into our projects, contributing to a greener and more responsible future.

In-House Furniture Manufacturing

Our in-house furniture manufacturing facility is equipped with cutting-edge, fully automatic machinery, allowing us to deliver high-quality, customized furniture solutions efficiently and on time. This capability enables us to meet varying project demands, regardless of scale, while maintaining strict quality standards. By managing the entire production process internally, we ensure consistency, reliability, and control over every detail, providing our clients with superior products that perfectly align with their needs.

Seasoned Team

Our dedicated team brings over 80 years of combined experience to each project, ensuring a deep well of expertise and insight to meet the diverse needs of our clients. This collective knowledge enables us to deliver innovative, reliable, and high-quality solutions that exceed expectations.

Innovative Design

CMA Projects Pvt. Ltd. is at the forefront of interior design innovation. We bring creative and modern solutions to the table, transforming spaces into functional and aesthetically pleasing environments.

Clear Costing

We believe in transparency and clarity in every aspect of our services, especially when it comes to pricing. Our detailed and straightforward costing model provides clients with a clear understanding of project expenses, ensuring there are no hidden fees or surprises. This commitment to clear costing fosters trust and enables our clients to make informed decisions with confidence.

We Design and Build Amazing Spaces

Designing your space can become a complex challenge when it requires coordinating with multiple professionals—designers, subcontractors, carpenters, painters, masons, aluminum and glass vendors, electricians, HVAC specialists, MEP technicians, and more. At **CMA Turnkey**, we simplify this process by managing all aspects of coordination and execution, ensuring a seamless and stress-free experience for our clients. We handle every detail, so you don’t have to.

Our Services

At CMA, we provide comprehensive turnkey solutions tailored to meet diverse project needs. Our services encompass every stage, from conceptualization to completion, ensuring a seamless experience and exceptional results. Our core services include:

1. Design & Planning
- Customized architectural and interior design solutions.
- Space planning, 3D modeling, and visualization to bring concepts to life.

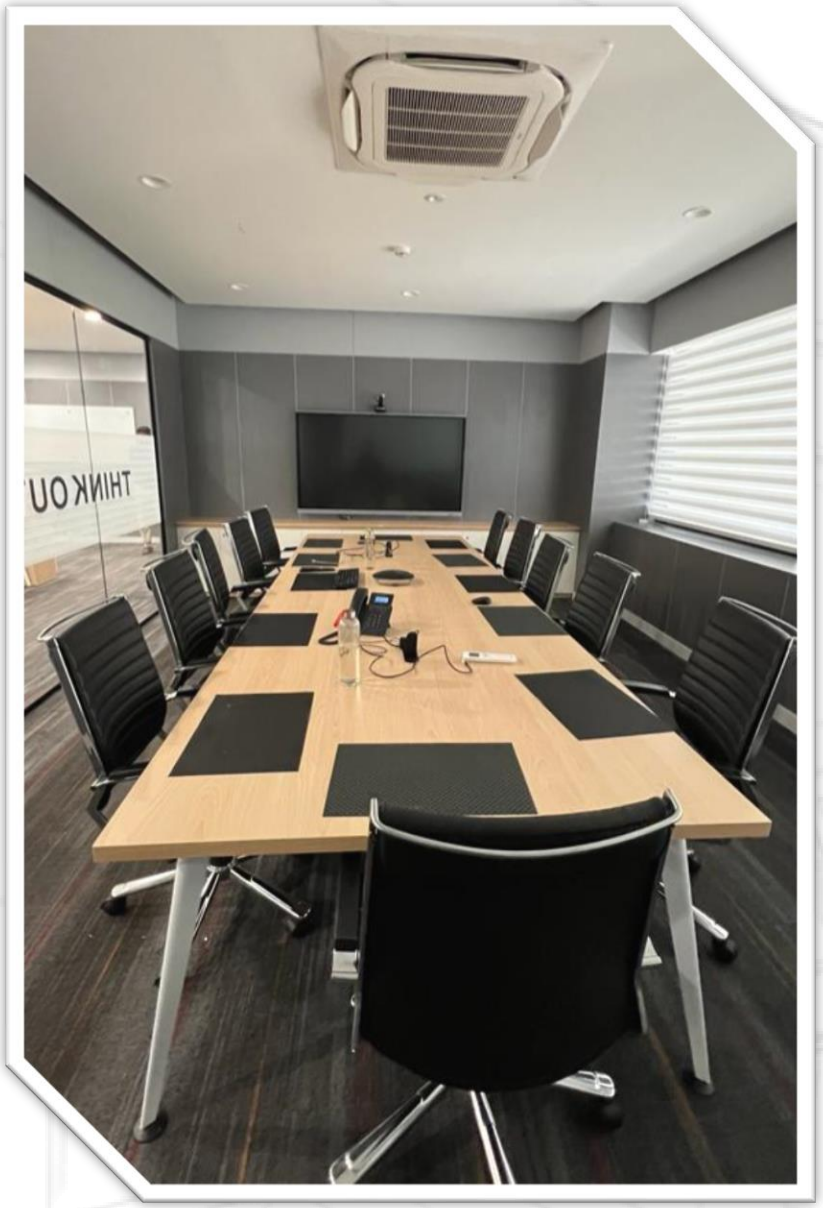

2. Project Management
- End-to-end project oversight, coordination, and scheduling.
- Budgeting, timeline management, and quality control at every stage.

3. In-House Manufacturing
- State-of-the-art modular furniture manufacturing to ensure quality and timely delivery.
- Custom furniture solutions crafted with precision.

4. Vendor Coordination
- Management of all subcontracting professionals, including carpenters, painters, masons, aluminum and glass vendors, electricians, HVAC and MEP technicians, etc.
- Seamless integration of all trades to streamline project execution.

5. Execution & Installation
- Skilled teams to execute and install all design elements as per specifications.
- Attention to detail to ensure a flawless finish and functional spaces.

6. Quality Assurance & Handover
- Thorough inspection and quality checks before handover.
- Client walk-through and post-installation support to ensure satisfaction.

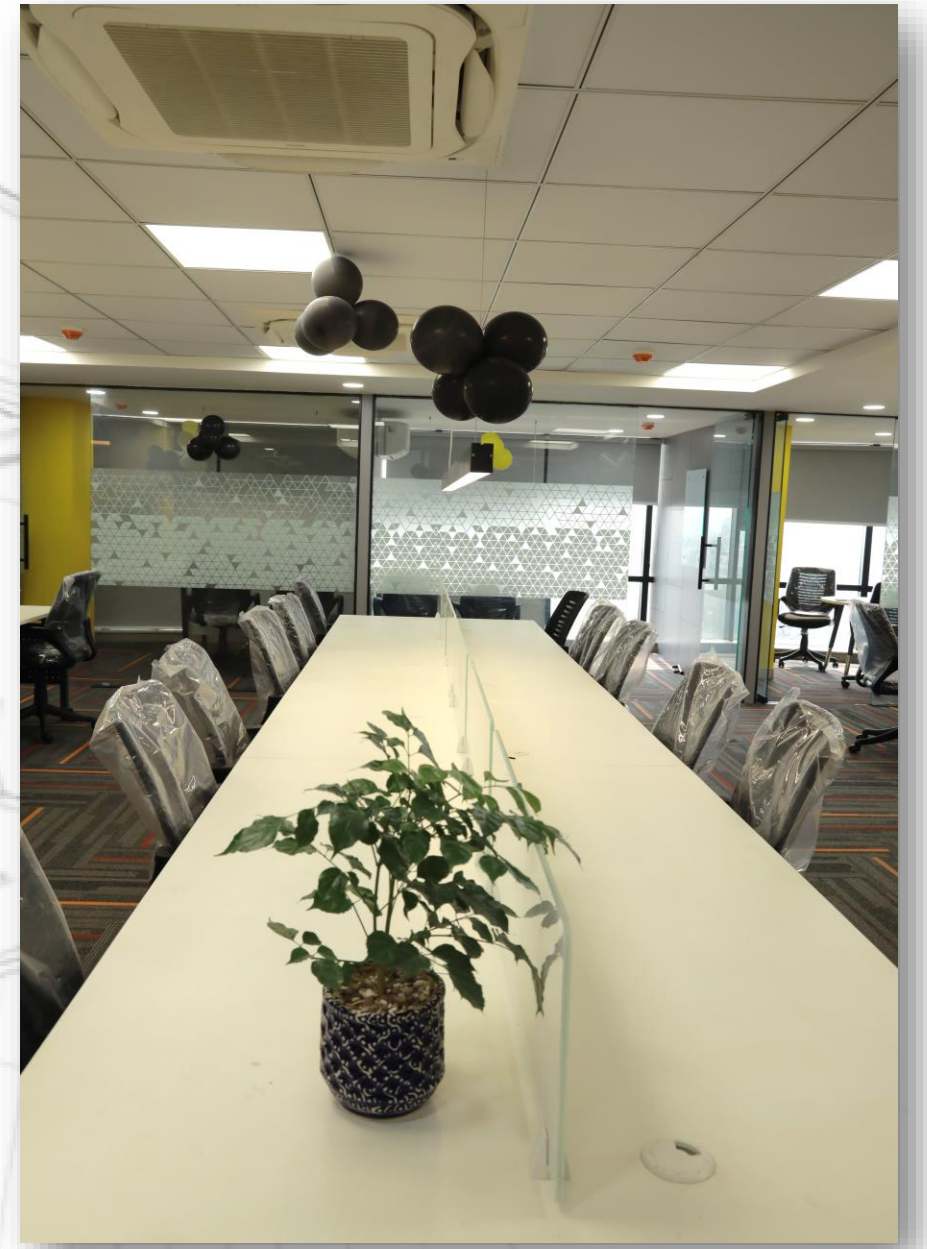

Sustainable & Ergonomic Solutions We Provide

- **Eco-Friendly Materials:** Use of sustainable, low-impact materials.
- **Energy Efficiency:** Design for natural light and energy-saving systems.
- **Ergonomic Furniture:** Custom furniture for comfort and productivity.
- **Waste Reduction:** Efficient resource use and recycling practices.
- **Enhanced Indoor Quality:** Focus on air quality and non-toxic materials.

CMA is committed to designing spaces that are both environmentally responsible and comfortable for users.
